Request for Certificate of Correction under 37 C.F.R. Section 1.322

Dear Sirs:

A Certificate of Correction under Rule 1.322 in the above-identified patent is respectfully requested. The error may have been the fault of the Applicant. Attached please find PTO Form 44 with the following corrections.

Reasons to Correct: The missing text is found in the originally filed application. In an amendment dated September 27, 2001, Applicant amended part of the subject paragraph that fell only on page 14 of the original specification. It appears that the PTO assumed that the portion of the subject paragraph found on the next page was intended to be deleted. No such deletion was intended. This correction restores the specification to the intended language. Therefore, Applicant requests that a Certificate of Correction be
